

Drive quality. Build trust.

Join Assurance at PwC

Assurance Services

Leave a lasting impact in the world of business as we help our clients navigate regulatory complexities and strengthen trust and transparency.

Work with and learn from industry experts

Our audit approach epitomises best practices, leveraging our extensive industry knowledge and deep understanding of regulations. As a top global audit network, we serve leading SGX-listed companies, multinational corporations, and emerging businesses in Singapore.

Despite evolving technology and business trends, the core purpose of accounting remains vital to the business world. For graduates entering the field, it involves analysing data, identifying discrepancies, and recommending improvements. Auditors play a critical role in maintaining financial transparency and integrity. This profession demands strong analytical skills, attention to detail, and ethical standards.

Explore roles in our many areas of expertise:

- General Assurance
 - Real Estate, Health Services
 - Entrepreneurial
 - Transport and Logistics, Energy
 - Technology, Media, Telecommunications
 - SME Audit
 - IPOs
- Financial Services Assurance
 - Asset Management & Insurance
 - Banking & Capital Markets
 - Campaigns
 - Digital Innovation Garage
 - Actuarial

About PwC

PwC is a tech-forward, people-empowered network. With deep expertise and advanced capabilities, helping clients harness technology, make smart investments and be ready for any future. Across audit and assurance, tax and legal, deals and consulting, PwC brings together the teams, resources and alliances needed to act boldly and achieve real results.

With a legacy of 175 years built on trusted relationships, PwC is known for reliability and steadfast support. It stands ready to help clients accelerate their ambitions, embrace the future with confidence, and grow alongside them.

Grow here. Go further.

Together, we set the future in motion. At PwC, we uncover hidden talents, build lifelong relationships and turn challenges into opportunities. We redefine possibilities for our clients and communities, supporting you in making a meaningful impact that reaches far beyond PwC.

We have been recognised as a leading graduate employer in independently conducted surveys.

Open doors to every industry.

Explore Tax at PwC

Tax

Join us to discover how you can help our clients achieve their tax objectives in today's global landscape. Realise your strengths and make an impact by offering our clients tailored solutions to achieve their tax objectives and stay ahead of changes

Work with and learn from industry experts

PwC has been consistently voted as leading tax practice in surveys conducted by International Tax Review. With more than 500 tax professionals and directors, we help individuals and businesses, both public and private organisations, with tax strategy planning and compliance.

Armed with our technology and data tools, we are elevating the role tax plays in our clients' operations to improve their relationships with regulators and managing emerging risks, turning challenges into successes.

For graduates entering this field, it involves understanding tax laws, preparing tax returns, and advising on tax strategies. Tax professionals play a crucial role in ensuring compliance and optimising financial outcomes. This career demands strong analytical skills, attention to detail, and up-to-date knowledge of tax regulations.

Kickstart your profession in our many areas of expertise:

- Corporate Tax
- Financial Services Tax
- Transfer Pricing
- Goods & Services Tax
- Customs & Trade
- Employment Tax & Immigration
- NewLaw
