

Assurance Services

Every company, including FinTechs, needs to ensure professional corporate reporting and compliance with regulations and contractual agreements. As a leading global assurance provider, and working with major companies listed on the Singapore Exchange (SGX), as well as other MNCs and emerging companies in Singapore, we are well-equipped to assist you with all your FinTech assurance needs.

Our assurance approach, which is at the leading edge of best practice and draws upon our extensive industry knowledge, is always tailored to suit the size and nature of your organisation. Our deep understanding of regulations and legislation means we can also help you with your complex reporting issues, such as those involving the Singapore Financial Reporting Standards (SFRS) and SGX listing rules.

Our services include:

- Financial statements audit
- Assistance on capital market transactions
- Accounting Advisory
- Integrated Reporting
- Regulatory Reporting
