Daniel Webster – new Assurance Partner in PwC Slovakia

Bratislava, 2 September 2014 – Daniel Webster has joined PwC Slovakia as an Assurance Partner effective from 1 September 2014. Daniel joined PwC in 1999, spending the majority of his time in the Pittsburgh, PA, Florham Park, NJ and Detroit, MI offices.

Daniel Webster has over 15 years of diverse public accounting and consulting experience that includes managing Fortune 500 multinational audit engagements, with a specialized focus on industrial products and metals clients. He spent two years in the PwC U.S. National Office, where he specialized in business combinations, and two years consulting in the automotive industry during the credit crisis, focusing on bankruptcy emergence and the related accounting implications.

In his new role, Daniel is responsible for providing U.S. accounting and auditing expertise to the CEE region, along with serving as the global engagement partner on many priority clients within Slovakia and CEE.

Daniel received his Bachelor of Science degree in Accounting from West Virginia University and an MBA from the University of Notre Dame. He is a licensed Certified Public Accountant and participates in the American Institute of Certified Public Accountants.

Notes to Editor:

About PwC

PwC firms help organisations and individuals create the value they're looking for. We're a network of firms in 157 countries with over 184,000 people who are committed to delivering quality in assurance, tax and advisory services. Tell us what matters to you and find out more by visiting us at www.pwc.com/sk.

PwC refers to the PwC network and/or one or more of its member firms, each of which is a separate legal entity. Please see www.pwc.com/structure for further details.
