New PwC Partner - Asif Khoja

Bratislava 7 June 2016 – Asif Nazir Khoja was appointed as an Assurance Partner at PwC from 1 July 2016 and will continue to be based at the Bratislava office. He will be the lead partner for US multinational clients in Slovakia and the CEE region. Asif will continue to share his US GAAP / GAAS knowledge and insights to drive business and quality in the CEE region. Before relocating to Bratislava in November 2013, Asif was a member of the Boston Technology Team advising technology clients in the software, SAAS, semiconductor and biotech industries. He has worked for PwC since 2004 and is a qualified CPA, and a member of the Institute of Chartered Accountants of India. Asif Khoja has extensive experience in financing transactions including initial public offerings and mergers and acquisitions as well as revenue recognition, structuring and accounting for consolidations, restructurings and SEC reporting matters.

PwC is the largest consulting company in the world and also in Slovakia according to the TREND TOP ranking of the Slovak TREND business weekly based on data for 2012 - 2014.

About PwC

At PwC, our purpose is to build trust in society and solve important problems. We are a network of firms in 157 countries with more than 208,000 staff who are committed to delivering quality in assurance, advisory and tax services. Find out more and tell us what matters to you by visiting us at www.pwc.com.

PwC refers to the PwC network and/or one or more of its member firms, each of which is a separate legal entity. Please see www.pwc.com/structure for further details.
