PwC has updated online information on Thai tax

We are pleased to announce that the Thai Tax 2016 Booklet is now available on our website.

This booklet has been prepared to provide general information on Thailand's tax system and primary assistance to those investing in Thailand and it should not be regarded as a basis for ascertaining a liability to tax in specific circumstances. The information is based on taxation laws and practices as at 1 September 2016.

We would like to invite you to go online and 'Take a Tour'. The website address is <http://www.pwc.com/th/en/publications/thai-tax-2016-booklet.html>

Further professional advice should always be obtained from our Tax and Legal Services Practice before acting on any matters contained in the Booklet.
