#05/2026

Extension of reduced 7% VAT rate

This flash may be of interest to:
All clients

Summary

On 27 July 2026, the Cabinet extended the reduced value-added tax (VAT) rate of 7% from 1 October 2026 until 30 September 2027. This 7% includes local taxes.

According to the Director-General of the Revenue Department, extending the VAT reduction should help to sustain domestic consumption levels, which in turn will support the Thai economy in achieving its growth targets.
