## ***The moratorium for agricultural land sale was extended until 1 January 2016***

On 20 November 2012 the Ukrainian Parliament prolonged\* the moratorium for sale, transfer, contribution and rezoning of the agricultural land until 1 January 2016.

It appears that the extent of the moratorium (e.g., the list of the prohibited actions with the agricultural land) remains the same.

The relevant law will come into force after it is signed by the President and officially published.

We will continue monitoring the issue and providing updates.

*\*The final version of the relevant law is not yet publically available*
