

Tax Litigation Practice

Preventing, managing and resolving
tax disputes

In a constantly changing regulatory environment, good advice is crucial

Being effective is more than just knowledge; it is about having insight into what could happen next. PwC Legal's leading Dispute Resolution and Tax Controversy network brings together specialists that have strong relationships with governments from around the world, to assist you in your efforts to proactively prevent, efficiently manage, and satisfactorily resolve tax audits and disputes

PwC Legal attorneys-at-law are highly ranked by reputable international and local legal rankings for their ability to advise on all aspects of tax disputes.

Our attorneys-at-law demonstrate strong commercial judgement, deep technical expertise and sensitivity to the issues as well as a commitment to delivering results quickly and effectively.

We are particularly known for our expertise in issues, belonged to multiple jurisdictions, which is enhanced by the sharing of our knowledge across PwC Legal's global network, the largest of its kind.

Senior tax buyers name PwC as their first choice provider for all dispute resolution and tax controversy services globally*
