2024 Business School Curriculum

Dear Client,

Happy new year and welcome to 2024! We extend our heartfelt gratitude to you for the support throughout 2023. Your participation in our training programmes, your referrals and also engaging us to deliver tailored training programmes based on your specific needs have been invaluable to us. Your continuous feedback has been instrumental in enhancing our programs to better serve you and your colleagues.

This year, our training curriculum has expanded significantly, now encompassing not only tax courses but also includes digital trust & cyber security, risk management as well as IFRS courses and several other pertinent topics.

For information on our tailored training programmes or general inquiries about what we do, we invite you to visit our webpage <https://www.pwc.com/ug/en/about-us/business-school.html>.

You can also speak to our core team members whose details you can find at the back of this brochure.

Once again, our sincere appreciation for your partnership. We look forward to supporting your success in the year ahead.

Trevor Bwanika Lukanga
Business School Lead
