

PwC's Always On Workforce Solution

Transforming human capital to execute business strategy

PwC's Always On Workforce Solution, *powered by* Salesforce, is an easy to use, collaborative platform that is wrapped by our business transformation capabilities to help companies take their employee experience to the next level. The solution helps employees discover, engage and collaborate — boosting employee satisfaction, productivity and innovation throughout the entire work lifecycle.

Solution benefits

- Increase employee engagement and satisfaction
- Increase collaboration and productivity seamlessly on any device
- Reduce silos with easily captured feedback and thought leadership across the enterprise
- Mobile-enabled; Support employees regardless of location or device
- Leverage data insights to drive workplace performance
- Enable self-service and reduce inquiries to HR
