

# How COVID-19 is affecting immigration compliance

## Contents

COVID-19 presents significant challenges to people and organisations around the globe. With borders continue to close/partially open, travel restricted and quarantines imposed, employers need to understand the challenges and immigration requirements before moving their employees to Vietnam for the purpose of employment/business related activity.

### This webinar will discuss:

We invite you to join our webinar, where our experts will discuss and share the normal and new normal immigration requirements when sending employees to Vietnam. We will also share some key challenges and difficulties employers and employees faced on immigration related matters.

### Who should attend?

Human Resource operations/mobility personnel

## Speaker

**Le Thi Hong Luyen**  
Senior Manager  
Global Mobility Services  
PwC Vietnam
